I wanna write ya name on my T-shirt right about now
Hey, hey, hey, yo ya definitely my kinda company
I wanna feel ya next to me right about now
Hey, hey, hey, yo ya definitely my kinda company

I wanna write ya name on my T-shirt right about now
Hey, hey, hey, yo ya definitely my kinda company
I wanna feel ya next to me right about now
Hey, hey, hey, yo ya definitely my kinda company

Anytime you miss this
Walk the wire risk it
Be a real whiz kid
Then take your time for a minute to rest

We so into hippo
You can take my photo
Make the music mellow
So we can take a minute to rest

I wanna write ya name on my T-shirt right about now
Hey, hey, hey, yo ya definitely my kinda company
I wanna feel ya next to me right about now
Hey, hey, hey, yo ya definitely my kinda company

Like my favorite biscuit
No I can't resist it
though ya slightly twisted
you better take some time for a minute to rest

Take a ride to soho
With my new dog Pluto
Let's do the pogo
Then we can take a minute to rest

I wanna write ya name on my T-shirt right about now
Hey, hey, hey, yo ya definitely my kinda company
I wanna feel ya next to me right about now
Hey, hey, hey, yo ya definitely my kinda company

Shock me
When ya plug in to deep

Shock me
From my head to my feet

Shock me
You're electricity
Shock me
Boy ya playin with me

Shock me
I just can't get enough
Shock me
Think I've blown a fuse

Shock me
Can we take a break for a minute to rest

I wanna write ya name on my T-shirt right about now
Hey, hey, hey, yo ya definitely my kinda company
I wanna feel ya next to me right about now
Hey, hey, hey, yo ya definitely my kinda company

I wanna write ya name on my T-shirt right about now
Hey, hey, hey, yo ya definitely my kinda company
I wanna feel ya next to me right about now
Hey, hey, hey, yo ya definitely my kinda company

Right about now
Right about now
Right about now
