Come on and milk it while you're hot
Sell out hang out with a new set of friends
Take the arty farty out your eyes
Smoke this chill out enjoy the ride

You know it's true
You know we do need you to
Sell a million or two
?Cos your last record sales weren't high

Oh, so cheesy but we don't mind
Let's get greedy taking it all from behind
Oh, so cheesy but we don't care
?Cos we're running outta underground

So switch the light out on the cat walk ?cos
The pussy died long ago
Have a drink on me and even more
Hands up snap shot with your pants down

You know it's true
You know we do need you to
Sell a million or two
?Cos your last record sales weren't high

Oh, so cheesy but we don't mind
Let's get greedy taking it all from behind
Oh, so cheesy but we don't care
?Cos we're running outta underground

Oh, so cheesy but we don't mind
Let's get greedy taking it all from behind
Oh, so cheesy but we don't care
?Cos we're running outta underground

Oh, so cheesy but we don't mind
Let's get greedy taking it all from behind
Oh, so cheesy but we don't care
?Cos we're running outta underground

Oh, so cheesy but we don't mind
Let's get greedy taking it all from behind

Oh, so cheesy but we don't care
?Cos we're running outta underground
