You made it so easy to fall I could not stand at all
I saw you beside me, you never saw me there at all

I promised you all this, I made plans thinking this was it
I never imagined IÂ'd find you lose myself instead
I never had a picture of an end

And I, I wanna believe in love
I wanna believe in something bigger
Than the two of us
I, I wanna breathe again
I wanna go back to the days
The days I had my innocence

I wanna believe again

I picked up the pieces
And put them back where they belong
But something is missing
Though I look the same, IÂ'm not as strong
But IÂ'm gonna learn to trust again

And I, I wanna believe in love
I wanna believe in something bigger
Than the two of us (The two of us)
And I, I wanna breathe again
I wanna go back to the days
The days I had my innocence

I wanna believe again

For without love, what do we become?
I never had a picture of an end

And I, I wanna believe in love
I wanna believe in something bigger
Than the two of us (The two of us)
I, I wanna breathe again
I wanna believe
I wanna believe
I wanna believe again
