Cerebral cortex slashed, Frontal lobes abraded,
Cerebellum gouged, Your
hypophysis avulsed... Medulla severed, Lobes
dismembered, Hypothalamus
punctured, Optic chiasm ruptured... The pons is
scraped, As your brain I
rape, The decomposed cerebrum now sludge, Putrid
grey matter is
splattered... Thalamic dismemberment, Your formix is
cruelly rent,
Brainstem now flayed and hacked, Mesencephalon is
reduced to scrap...
Grotesque splattered brains, Hypoglossal dysfunction,
Macerated
cephalo-extirpation, Neuro-cranial disjunction... I carve
the corpus
callosum, I shred the lacerated mind, Peeling the
abraded cortex and
precentral gyrus, Bisecting the central sulcus and
lateral tissue... Gouged
and sliced, diced, and hacked to bits, I carve with
feverish glee as you now
lose your wits, Your vacated cranium is scraped to its...
Scraped the
core... Dismantling the cerebrum, Disassembling the
brainstem, Your
parietooccipital fissure torn, Your vacated cranium is
shorn...
