Tallula Tallula

She has a smile that lights the way home  
She blindsided me from day one  
When Iâ€™m with her itâ€™s the real deal  
When she tires of me Iâ€™m undone  
I keep wondering when we can move in  
Together  
Take the lid off the tin make my whole world better  
She is the only thing that keeps me  
From going insane  
And I live for the moment she â€™ll kiss me again

Tallula tallula tell me what can I do  
Cos my heads so full of nothing but you  
Tallula tallula isâ€™nt it about time  
That I can be yours and you can be mine

Whateverâ€™s coming round the corner  
Iâ€™ll fight them off just like a ninja  
No one else is going beat me  
Cos I am not about to lose her  
I keep wondering when we can move in  
Together  
Take the lid off the tin make my whole world better  
She is the only thing that keeps me  
From going insane  
And I live for the moment she â€™ll kiss me again

Tallula tallula tell me what can I do  
Cos my heads so full of nothing but you  
Tallula tallula isâ€™nt it about time  
That I can be yours and you can be mine  
Tallula Tallula Tallula Tallula
