Girl I Wanna Get To Know You
No Nobody Else Would Understand
Girl I Wanna Be the Only One
One That you Could Call Your call your Man
O baby girl! We were meant to be
I hope you do, Hope that you see (x2)

Tere kanna diye waali,saada dil le gaye,
Dil kadd ke, saadi jaan le gaye (x2)

Nobody could ever love you,
Love you more than love that I would have,
One that would always be there
One that would always play you fair,
I am begging you
Begging down on my knees
Girl it's true, you're the one that I need!!

Tere kanna diye waali,saada dil le gaye,
Dil kadd ke, saadi jaan le gaye (x2)

Saadi jaan le gaye (x2)
