Listen here, this will only be
A small portion of your nighttime
That you'll sacrifice for me
I asked and you were born
And like the wind you snuck up on me
Got me begging for your storm

Fifty-two fifty more days 'til I might come back from
war
I'm gonna lock you up, and love you down
I can't take this anymore
Nights are old, but I am young
Across the sea writing letters home
Answer me, let me hear your voice
I can't take this anymore

I don't know where you've gone
There's so much more,
so much more,
so much more you need to know

Take it slow now
Smooth running
Live the day cool
Smooth running
Show me strength
True loving
And trust me girl
True loving

Listen here, this might only be
A small portion of your lifetime
That you'll send right back to me
I asked, and you were born
Like the snow you fall upon me
Got me begging for some more

Fifty-two fifty more days 'til might I come back from
war
I'm gonna love you up
And the I'll love you down
I'd cross the world just to

Hear your sound
And I don't know where you've gone
and theres so much more,
so much more,
so much more, you need to know

Live the day cool
Smooth running
Live your life cool
smooth running
Show me strength
True loving
And trust me girl
True loving OH!

Reign on love
Reign on love
Reign on love
Reign on love
rain!

Come on down, come on down
reign on, reign on,
come on down, come on down,
reign on
bring it on me!! Yeah!
