Well there was a time when life caught you by surprise.
What you see going by is a shadow.
You've got to live in front of your eyes.
In a typical way we stray, checking back with the past.
In a typical day we'll stay to see what's gonna last.
But I didn't mind at all.
I didn't mind at all
I didn't mind at all
I didn't mind at all

Well there was a place we'd chase through the woods
in my juvenile days.
What a typical waste of space, what a wonderful place
to stay.
But I could have cried but I just left my soul to fly.
And I could have chilled at will, but I didn't know how to
die.

But I didn't mind at all.
I didn't mind at all
I didn't mind at all
I didn't mind at all

No, I've been woken, and I have been broken.
But this time it's gonna change
For,
I've been lazy, and I been crazy.
Has been stolen,
But from,

From this day on I swear to you true.
From this day on I swear to you.

Well there was at time when I could have flown out of
the room.
Yet I didn't care just where I was going after noon.
Though I didn't know and I chose to live my life so fair.
And I could have died, but I chose to live here instead

But I didn't mind at all.
I didn't mind at all
I didn't mind at all

I didn't mind at all

I've been woken, and I have been broken
But this time its gonna change
For, I've been lazy and I have been crazy
But this time it's not hazy at all
Cause I've been,
I've been chose my heart has been stolen
But from,

From this day on, I swear to you true.
From this day on, I swear to you true.
I say now way back when you and all your friends
Had some good times we should do this again we'd
say
Hey, hey, hey we should do this again, we'd say.
But in the mean meanwhile, I'll just walk the mile.
I won't look back won't forget your smile
Oh no, hey hey hey we should do this again, we'd say.
But I swear to you true.
From this day on I swear to you true I swear I do I.

NO.
I won't give you back.
NO.
Won't give you back.
NO.
Won't give you back.
NO.
Can't give you back.
NO.
I won't give you back my baby.
Said I can't give you back.
NO.
Said I won't give you back.
NO.
I swear to you true.
From this day on I swear to you true.
I swear.
I do, I.
God, I do.
My baby, I swear to you true.
I swear, I do.
