Lovely, you're always lovely
A vision
You were the one
Now I am stuck inside a memory
You forgot about our destiny
You buried me
Didn't you?
Didn't you?

Love me faster than the devil
Run me straight into the ground
Drowning deep inside your water
Drowning deep inside your sound

You're always floating
A vapor
That I couldn't see
Here I am stuck inside a yesterday
Everything has given way
You fell from me
Didn't you?
Didn't you?

Love me faster than the devil
Run me straight into the ground
Drowning deep inside your water
Drowning deep inside your sound
Love me faster than the devil
Run me straight into the ground
Drowning deep inside your water
Drown in love and memories

Maybe I am a crowded mind
I watch your eyes glaze over
Stared down at the floor
You were amazing to me
I was amazing to you
But here we go again

Didn't you
Love me faster than the devil
Run me straight into the ground

Drowning deep inside your water
Drowning deep inside your sound
Love me faster than the devil
Run me straight into the ground
Drowning deep inside your water
Drown in love and memories
