Don't fear the morning  
It's okay, it's okay  
Hurt weighs heavy  
It's okay, it's okay  
When your body's cold and shaking  
I'll steer you Darlin', steer you  
When your body's old and aging  
I'll heal you Darlin', heal you

Your soul lights the day  
I'm on my way, I'm on my way  
When you're so filled with pain  
I'm on my way, I'm on my way  
And Baby, Baby it's just me

Look out the window  
Past the Pines  
Through the rain  
Oh skies will open, let sun shine  
On your face  
When your mind is old and fading  
I'll heal you Darlin', heal you

Your soul lights the day  
I'm on my way, I'm on my way  
When you're so filled with pain  
I'm on my way, I'm on my way  
And Baby, Baby it's just me

In a matter of, in a matter of days, we'll find love  
In a matter of, in a matter of days, we'll find love  
And Baby, Baby that's just love  
And Baby, Baby it's just me

Your soul lights the day  
I'm on my way, I'm on my way  
When you're so filled with pain  
I'm on my way, I'm on my way  
And its gonna get easier on you  
And its gonna get easier on you  
And its gonna get easier on you  
Now it's got to get easier on your soul

Soul, soul, soul  
Your soul lights the way, lights the way  
I'm on my way  
And Baby, Baby it's just me
