In a way, I need a change  
From this burnout scene  
Another time, another town, another everything  
But it's always back to you  
Stumble out in the night  
From the pouring rain  
Made the block, sat and thought  
There's more I need  
It's always back to you

But I'm good without ya  
Yeah I'm good without you  
Yeah, yeah, yeah

How many times can I break til I shatter?  
Over the line, can't define what I'm after  
I always turn the car around  
Give me a break; let me make my own pattern  
All that it takes is some time  
But I'm shattered  
I always turn the car around

I had no idea that the night  
Would take so damn long  
Took it out, on the street  
While the rain still falls  
Push me back to you

But I'm good without ya  
Yeah I'm good without you  
Yeah, yeah, yeah

How many times can I break til I shatter?  
Over the line, can't define what I'm after  
I always turn the car around  
Give me a break; let me make my own pattern  
All that it takes is some time  
But I'm shattered  
I always turn the car around

Give it up, give it up Baby  
Give it up, give it up now, now

How many times can I break til I shatter?  
Over the line, can't define what I'm after  
I always turn the car around  
All that I feel is the realness I'm faking  
Taking my time  
But its time that I'm wasting  
I always turn the car around

How many times can I break til I shatter?  
Over the line, can't define what I'm after  
I always turn the car around  
Don't wanna turn that car around  
I gotta turn this thing around
