Tears are falling.
For these souls
I believe
Words won't be enough
I woke up to
a mean reality
that you may think
Lives only in your screen

Wake up to go feed another gang
Fearing to stop somewhere and face your death
Yes I do believe
Words won't be enough

I'll keep on searching
for another miracle for us
I'll keep on searching
for a ray of light in all this dark
Who was supposed to care
Has always been so blind
I'll keep on searching
in my arms you can fall

I have knocked on
every door and
I can't see
Anyone who wants to know
What is wrong now?
take a stand, please!
Lord,
what's there left to believe?

I'll keep on searching
for another miracle for us
I'll keep on searching
for a ray of light in all this dark
Who was supposed to care
Has always been so blind
I'll keep on searching
in my arms you can fall

I'll keep on searching

for another miracle for us
Iâ€™ll keep on searching
for a ray of light in all this dark
Iâ€™ll keep believing
this world keeps turning
Around, around, around, around
And outside this door
We all keep on dreaming!
(and weâ€™ll keep on falling!)

Iâ€™ll keep on searching
for what people hide in their mind
(keep on pretending!)

I wanna thank you
I wanna thank you for what is right
(Will you keep on cheating? Nooooo)

Iâ€™ll keep on knowing thereâ€™s so much still to learn
Iâ€™ll keep avoiding what is trying to drag us down
(Will you keep on falling? Nooooooooooooo)
