Once upon a time you would hear me say  
Â“Did you say what you wanted?Â”  
Â“IÂ’ll do anythingÂ”  
I could hear you breathing  
Everytime!

Â“Upon a timeÂ”, now a long way behind  
I can tell youÂ’re leaving tonight  
IÂ’ve paid enough to pull myself away  
You cry this time

I wonÂ’t blame you for nothing  
Just donÂ’t tell me why

(chorus)  
What if we stay apart and,  
Forget about the all the things  
You donÂ’t like to hear?  
What if we donÂ’t pretend  
We had a time together  
not full of tears?  
What if we donÂ’t mention the times I needed you - but  
you werenÂ’t there for me?  
What if we just forget these words and you just let me  
go  
Just let me go home

Once upon a time you would let me know  
What you think, what you want  
Where it is I should go  
I could hear you preaching  
All day long!

Â“Upon a timeÂ”, now a long way behind  
I wonÂ’t lend you my ears this time  
IÂ’ve paid enough to pull myself away  
You are always right

I wonÂ’t blame you for nothing  
Just donÂ’t tell me why

(chorus)

What if we stay apart and,  
Forget about the all the things  
You don't like to hear?  
What if we don't pretend  
We had a time together  
not full of tears  
What if we don't mention the times I needed you but  
you weren't there for me?  
What if we just forget these words and you just let me  
go  
Just let me go home  
Home  
Go home  
Home  
Go home

Solo

(chorus)  
What if we stay apart and,  
Forget about the all the things  
You don't like to hear?  
What if we don't pretend  
We had a time together  
not full of tears  
What if we don't mention the times I needed you- but  
you weren't there for me  
What if we just forget these words and you just let me  
go  
Just let me go home

Please let me go home
