I can't see our love fade away  
still this won't last forever  
I am here for you coz' I love you  
But we won't stand through time

So watch over me  
I just want you to see  
I live because you  
watch over me today  
watch over me  
and I'll live my life for you  
watch over me

I can't stand your eyes looking at mine  
I've made my choice,  
In my blindness  
I'm out here  
I hope you come to me  
Or just let me go

Watch over me  
I just want you to see  
I live because you  
watch over me today  
watch over me  
and I'll live my life for you  
Watch over me  
I just want you to see  
I live because you  
watch over me today  
watch over me  
I want you to care for me  
As I do for you

I can see by the look in your eyes  
that this feeling won't come along  
watch over me

solo

Watch over me  
I just want you to see

I live because you  
watch over me today  
watch over me  
And Iâ€™ll live my life for you  
Ohhhh yeahhh

Watch over me  
I just want you to see  
You know  
I live because of you  
baby  
watch over me  
watch over me  
watch over  
watch over  
watch over  
over me  
over me  
watch over me  
yeah  
watch over me
