(Intro)

Ay, yea yea yea, Wa wooh ooh

Ay, yea yea yea, Wa wooh ooh

(Repeat 3x)

(Verse 1)

Back in penitentiary

Long gone misery

Left me alone, I grew up

Amongst the mad breed

So my mind

Couldnt find a place to rest

With me got this thug plaque

Tattoo on my chest

Nigga never sleep

When am living in da past

Stare in the lights

Mi pop off and first to blast

He knew my father

He was a gangsta in the streets

But now hes gone

Mi deh ya so still a plead

Till him rest in peace

Now am heading for the treach

I remember me

So many homies in the cemetery

Seem as if I am a missionary

But when am gone

Know my momma

Gonna cry for me

(chorus)

Wa ooh ooh, Ay, yea yea yea

Wa ooh ooh, Ay, yea yea yea

(Repeat 4x)

(Verse 2)

Take me away

From all the pressure

And all the pain,

Show me some happiness again

Im going blind
I spend my time down stairs
I live in bed
You know my destiny is hell
But till I fear
My mind is so misleading
I couldnt see
I gotta brain full of demons
Tryin to break free
I know one day
When, (Ay)
But when I die
I be steppin with my father
And the most high

(Chorus)

Wa ooh ooh, Ay, yea yea yea
Wa ooh ooh, Ay, yea yea yea
(Repeat 4x)

(Verse 3)

No one knows my struggle
They dont know my trouble
Son you must go on
Because ya momma love you
They dont wanna see me rich
They wanna see me poor
Gangsta 4 life, I see you running
Sing some more

Wa ooh ooh Ay, yea yea yea
Wa ooh ooh Ay, yea yea yea
(Repeat 6x)
