So there's one  
And only one  
Thing you get to do  
And if you're lucky  
You might even get to choose  
But you were so certain  
You went for the door  
Wishing me luck and  
Not offering anything more  
You were so sure

So there's one  
And only one person  
You get to know  
And if you're lucky  
They'll stick around  
'Til you go  
But you were so certain  
You went for the door  
Wishing me luck and  
Not promising anything more  
You were so sure

So there's one  
And only one person  
You will be  
Written in stone  
By the time you're twenty-three  
But you were so certain  
You went for the door  
Wishing me luck and  
Not promising anything more  
You were so sure

And when your half-smile  
Has lost its allure  
You've wrung your past dry  
And there's no tragedy  
Left to whore  
You will be sure
