Baby, don't look back  
You just might see me cry

Baby, soon you're gonna leave me  
When you go don't say goodbye  
Keep on, keep on walking, don't turn around  
Cos if you do, you just might see me cry

You don't have to give a reason  
You don't have to tell me why  
All I ask of you is don't turn around  
Cos if you do, you just might see me cry

Boys are not supposed to cry  
They should be strong  
But I'm losing you, little girl  
And I have loved you for so long  
For so long (and I'll be lonely without you)

All my life I will remember  
And I'll miss you til I die  
But please don't ever come back just to see how I am  
Cos if you do, you just might see me cry

All my life I will remember  
And I'll miss you til I die  
But please don't ever come back just to see how I am  
Cos if you do, you just might see me cry

Don't look back, you just might see me cry  
Don't look back, you just might see me cry  
Don't look back, you just might see me cry
