Blackberry Way
Absolutely pouring down with rain
It's a terrible day
Up with a lark
Silly girl I don't know what to say
She was running away
So now I'm standing on the corner
Lost, in the things that I said
What am I supposed to do now-w
(Chorus)
Goodbye Blackberry Way
I can't see you
I don't need you
Goodbye Blackberry Way
Sure to want me back another day
Gone to the park
Overgrowing but the trees are bare
There's a memory there
Boats on a lake
Unattended now, they're all to drown
I'm incredibly down
Just like myself they are neglected
Turn, with my eyes to the wall
What am I supposed to do now-w
(Chorus)
Goodbye Blackberry Way
I can't see you
I don't need you
Goodbye Blackberry Way
Sure to want me back another day
Ooo-black, Ooo-black, ooo-ooo
Ahhh-hhh-hhh
Ooo-la Ooo-la ooo-ooo
Ahhh-hhh-hhh
Run for the train
Look behind you for she may be there
Say I think you're the girl
Blackberry Way
See the battlefields of care or sins
Cast to the winds
So full of emptiness without her
Lost in the words that I said

What am I supposed to do now-w
(Chorus repeat to fade)
Goodbye Blackberry Way
I can't see you
I don't need you
Goodbye Blackberry Way
Sure to want me back another day
