Hey, I'm calling on a New generation, advocating the arrival of a new age

Itsu made wasureta furi wo shiteiru no?

(chigiresou na haato no Tension) mune no uzuki

Sono hitomi no oku osae kirenai mono (sou matowari tsuku kono Image) yoru wo niramu

How long will you keep pretending to forget this

heartache? (Tension of a heart about to be ripped up)

Scowling at the night, with things deep in your eyes

that can't hold you down (Clinging to this image)

Sou dare no kokoro ni te wo nobashite nureru sube mo

(Who you wanna be, who you wanna be,

What you wanna see, what you wanna see)

Shira nakatta futari mou koko kara

(Hey sanjou New generation hora This will blast your love)

Yeah, even the means of reaching out to and touching others' hearts

(Who you wanna be, who you wanna be, what you wanna see, what you wanna see)

The unknown couple will from here on...

(Hey, I'm calling on a New generation, listen! This will blast your love)

Blast my desire, break off the barrier

Nemutta yume wo tataki okoshite (kiri saku youna sukuru)

Blast my desire, stronger than fire

Jidai wo furuwasete Risky tune (Break what you wanna break)

Blast my desire, break off the barrier

Wake me out of my sleeping dream (The skills to tear you up)

Blast my desire, stronger than fire

A risky tune that shakes the ages (Break what you wanna break)

Kono suteeji haiiro no setto arifureta soko ira no Street

Jujinkou toujou no Situation Block party jack the show

Kuuki ga imawasuka ni shindou zenchou zawameita

kaze

Shinjiteta omae ga kitto hitotsu de arawareru koto wo

Grey set on this stage - common ordinary streets
The star's situation as he appears - a block party, jack
the show

There's a slight buzz in the air - winds that stir up
omens

Portending that you, who I believed in, will surely
emerge alone

Kodou ga kasanaru hibana ga koboreru (takanari
souna biito wo Mix it) shiroi zanzou

Nageiteta kinoo hikatteru mirai he (chouhatsu sareteru
youna shigunaru) kaze oikake

The beats overlap, the sparks overflow in a white
afterimage (Mix the throbbing beat)

Chasing the wind from the lamented past, toward the
shining future (The signal of provocation)

Genkai mo joushiki mo futari de nara koete ikeru

(Who you wanna be, who you wanna be,

What you wanna see, what you wanna see)

Hari tsumeta kuuki no ido gachi gire

(Hey sanjou New generation hora This will blast your
love)

Together, we can overcome both limits and common
sense

(Who you wanna be, who you wanna be, what you
wanna see, what you wanna see)

The taut string is torn off

(Hey, I'm calling on a New generation, listen! This will
blast your love)

Blast my desire, break off the barrier

Yokei na kazari zenbu kowashite (yakedo shisou na
Wheel)

Blast my desire, stronger than fire

Futari wa kake nukeru Risky tune (Break what you
wanna break)

Blast my desire, break off the barrier

Destroying all the unnecessary luxuries (A burning
wheel)

Blast my desire, stronger than fire

We will outrun with the risky tune (Break what you
wanna break)

Yeah soshite juukou na tsuru susumu koshi ni kuru
gitaa no yukanda saundo

Hyoutenka no sequencew o shoushou bimyou de
juuyou na chougou

Katarazu ni konya wa sugosou wogosoka na noizu ni
dakareyou

Dare mo mita koto no nai sekai wo kanjireru darou

Yeah, then the rich strings - the distorted sound of a
gut-bustin' guitar

A bit of a sub-zero sequence - the subtle and essential
harmony

Let's spend the night without talking, so we can be
embraced by the majestic noise

We'll sense a world no one has seen before

Woh woh blast my desire

Tachi tomatteru yori arashi no mukou kasundeiru hikari
wo

Yes, we never stop

Woh woh Blast my desire

Rather than standing still, we reach for the hazy light
beyond the storm

Yes, we never stop

Kono suteeji haiiro no setto arifureta soko ira no Street

Jujinkou toujou no Situation Block party jack the show

Kuuki ga imawasuka ni shindou zenchou zawameita
