Goin' to a party, meet me out after school
Well, we go to a place where the jive is really cool
And if the band stops a playin'
There's a jukebox in the hall
Well, put your blue dress on and your folks all gone
You'll sure give the guys a ball

Get that real guitar boy shakin'
I'm a California man
Dance right on till the floors are breakin'
I'm a California man
Well, I cross my mamma so bad
And this a woman's just a making me mad
So I don't care if your legs start aching
I'm a California man

Oh my legs start to shiver when I hear you call my
name
Well, my knees keep a knocking
And I'm feeling tired bugs me down
An' when we take off fine, an' my jeans are way down
low
When I waggle my hips
It's making me feel like a king of rock n' roll

Get that real guitar boy shakin'
I'm a California man
Dance right on till the floors are breakin'
I'm a California man
Well, I cross my mamma so bad
And this a woman's just a making me mad
So I don't care if your legs start aching
I'm a California man - I'm a California man

Goin' to a party, meet me out after school
Well, we go to a place where the jive is really cool
And if the band stops a playin'
There's a jukebox in the hall
Well, put your blue dress on and your folks all gone
You'll sure give the guys a ball

Get that real guitar boy shakin'
I'm a California man
Dance right on till the floors are breakin'
I'm a California man
Well, I cross my mamma so bad
And this a woman's just a making me mad
So I don't care if your legs start aching
I'm a California man - I'm a California man
