It was one morning when I woke up, and then I found
out that they'd
Signed some papers, and then I was gonna be kept in a
bed owing to my
State of mind.
And then I found out that the authorities had said, um,
that I'd gotta
Have special food fed to me for my thoughts, um, and I
think it's
Because, because I was going off my...)
Head
Sunbeam from flowered skies
Twenty thousand butterflies
Glorify my...
Turn from hot to very cool
Though it seems incredible
I could ride a bike around the room
*Cherry Blossom Clinic
Is there any truth in what they say
Cherry Blossom Clinic
Lock me in and throw the key away
In this sad position where I lie
From the corner of my eye
Callous friends just pass me by
Doctor pays a visit
Everyday I keep asking for my Dad
They must think I'm going mad
Lift the blankets off my face
Quick before I suffocate
Trying hard to meditate
Tell the people, "What a scene"
Write a letter to the Queen
Asking her if she can come to tea
(*repeat)
Up above the sun is high
Like a tea tray in the sky
Helicopter lands upon my bed
Phantom horses quickly fade
Turning into lemonade
Probably feel better when I'm dead
(*repeat)
