Ah, sweet little lady  
Used to drive me crazy  
Had to stick around to play

Down on the bay, that's where I stay  
The clouds are gray, down on the bay  
But that's my home  
I can't leave my woman alone

Don't know what I'm missing  
But I wouldn't miss the kissing with Lily  
'Cause she looks so fine

Down on the bay, that's where I stay  
The clouds are gray, down on the bay  
But that's my home  
I can't leave my woman alone

Well, I'm walking with my Lily  
Down a road, that's pretty chilly  
But she makes it like a summer day

Down on the bay and that's where I stay  
And the clouds are gray, down on the bay  
But that's my home  
I can't leave my woman alone

You sure look so delighted  
And I'm getting so excited  
Every time you start to play

Down on the bay, that's where I stay  
The clouds are gray, down on the bay  
But that's my home  
I can't leave my woman alone

Down on the bay, that's where I stay  
Down on the bay, that's where I stay

Down on the bay, that's where I stay  
I said, down on the bay, that's where I stay  
Down on the bay, I said, that's where I stay

Down on the bay, that's where I stay

Down on the bay, that's where I stay  
Down on the bay, that's where I stay  
Down on the bay, alright, that's where I stay

Down on the bay and that's where I  
I said, down on the, that's where I  
Down on the
