She's got me stolen  
So you wonder why  
Man I was rollin'  
She has all I got

Feel too good  
What can you do?  
Can't seem to control myself  
So how can I talk to you?

Met her in the garden  
Taking the stairway home  
Something hits me harder  
Hits me like a stone

Feel too good  
What can you do?  
Can't seem to control myself  
So how can I talk to you?

If it should be questioned  
I can feel the heat  
Mind her reflection  
Stops you in the street  
Feel too good  
What can you do?  
Can't seem to control myself  
So how can I talk to you?

Feel too good  
What can you do?  
Can't seem to control myself  
So how can I talk to you?

Feel too good  
What can you do?  
Can't seem to control myself  
So how can I talk to you?

I feel too good  
Feel too good feel too good  
Yeah hey yeah

What can you do?
