See the people all in line, what's makin' them look at  
me?  
Can't imagine that their minds are thinkin' the same as  
me  
I can hear the grass grow, I can hear the grass grow  
I see rainbows in the evenin'

My head's attracted to a magnetic wave of sound  
With the streams of coloured circles makin' their way  
around  
I can hear the grass grow, I can hear the grass grow  
I see rainbows in the evenin'

Can't seem to puzzle out the signs  
My senses form a microline  
Get a hold of yourself now, baby  
See I need you to help now, baby  
A get a hold of yourself now, baby

Put your head down to the ground and listen to your  
mind  
If you can't spell what you've found  
I know that you're not my kind  
I can hear the grass grow, I can hear the grass grow  
I see rainbows in the evenin'

Can't seem to puzzle out the signs  
My senses form a microline  
Get a hold of yourself now, baby  
See I need you to help now, baby  
Get a hold of yourself now, baby

See the people all in line, what's makin' them look at  
me?  
Can't imagine that their minds are thinkin' the same as  
me  
I can hear the grass grow, I can hear the grass grow  
I see rainbows in the evenin'  
I can hear the grass grow, I can hear the grass grow  
I see rainbows in the evenin'
