Chorus:

I'm afraid of falling, Yeah it get's to me everytime.  
Everytime I try/ I fail to reach the finish line.  
I'm afraid of flying, Yeah it's how you make me feel.  
You make me feel/ terrified of leaving the ground.  
I'm afraid of living, Yeah another mistake I have made.  
Another mistake I have made/ towards my last  
goodbye.

Verse 1:

I break free towards a better life,  
Shut down the whole way out.  
I'm last in line/ left behind.  
I run towards the finish line/ I trip and fall no surprise.  
everythings faded, My vision is a blurry.  
Just like before.

Chorus:

I'm afraid of falling, Yeah it get's me everytime.  
Everytime I try/ I fail to reach the finish line.  
I'm afraid of flying, Yeah it's how you make me feel.  
You make me feel terrified/ of leaving the ground.  
I'm afraid of living, Yeah another mistake I have made.  
Another mistake I have made/ towards my last  
goodbye.

Verse 2:

I am here waiting and thinking of your face,  
My life's a mess up/ maybe that is true.  
I guess I am shaded/ I'm miss guided by you  
I made my own target/ yeah I missed it too  
Call me more than a friend/ or leave me here to die.

Chorus:

I'm afraid of falling, Yeah it get's me everytime.  
Everytime I try/ I fail to reach the finish line.  
I'm afraid of flying, Yeah it's how you make me feel.  
You make me feel/ terrified of leaving the ground.  
I'm afraid of living, Yeah another mistake I have made.  
Another mistake I have made/ towards my last  
goodbye.
