I'm so helpless without you
I'm helpless alone
I need you darling
Please don't make me cry
I, I, I, I just can't do without you
So helpless I've grown
I can't admit we've said
Our last goodbye
Why can't you help me
And come back to my arms
Won't you tell me
My fears are false alarm?
Is, is, is it hopeless to love you?
Don't tell me it's so
For nothing else would help less
Than to know
Why can't you a help me?
And come back to my arms
Won't, won't you tell me
My fears are false alarm?
Is, is it hopeless to love you?

Don't you tell me it's so

For nothing else would help less

Than to know
