"Only You And You Alone"

Only you can make this world seem right

Only you can make the darkness bright.

Only you and you alone

can thrill me like you do

and fill my heart with love for only you.

Only you can make this change in me,

for it's true, you are my destiny.

When you hold my hand,

I understand the magic that you do.

You're my dream come true,

my one and only you.

Only you can make this change in me,

for it's true, you are my destiny.

When you hold my hand,

I understand the magic that you do.

You're my dream come true,

my one and only you.

One and only you.
