"Sleepy Lagoon"

A sleepy lagoon, a tropical moon and two on an island,
A sleepy lagoon and two hearts in tune in some
lullabyland,
The fireflies gleam, reflect in the stream, they sparkle
and shimmer,
A star from on high, falls out of the sky, and slowly
grows dimmer,

The leaves from the trees, all dance in the breeze, and
float on the ripples,
Im lost in the spell, that nightingales tell of roses and
dew,
The memory of, this moment of love, will haunt me
forever,
A tropical moon, a sleepy lagoon, and you.

Stand still, oh heaven and earth and river, stand still,
oh time in your endless flight.
If love can but command, the moon will stand , the sun
wont wake,
The day wont break, and it will always be tonight.

The leaves from the trees, all dance in the breeze, and
float on the ripples,
Im lost in the spell, that nightingales tell of roses and
dew,
The memory of, this moment of love, will haunt me
forever,
A tropical moon, a sleepy lagoon, and you
