With this ring I promise I'll always love you, always love  
you

With this ring I promise I'll always love you, always love  
you

They used to call me the wanderer  
Who never wanted to settle down... Yeah  
But I'll tell you, baby  
I wander no more, got to stay around 'cause

With this ring I promise I'll always love you, always love  
you

With this ring I promise I'll always love you, always love  
you

Got nothing but this old heart of mine  
Baby, please, believe in me  
Girl, you know, sweet heart,  
I'll always try to keep you satisfied, 'cause

With this ring I promise I'll always love you, always love  
you

With this ring I promise I'll always love you, always love  
you

With this ring I promise I'll always love you, always love  
you

With this ring I promise I'll always love you, always love  
you

Baby, I never thought so much love  
Could fit in a little band of gold  
But I'm telling you, darling  
I feel it in my heart, got it in my soul

With this ring I promise I'll always love you, always love  
you

With this ring I promise I'll always love you, always love  
you
