The snow falls again  
Where are you? Are you still mine?  
One year is go I hope  
You'll come back  
Give me a sign  
So loneley and weak  
I need you  
Do remember you still mine

Refrain:  
All I need is a mirical tonight  
And I wish you were here at Christmas time

All I want is to be right by your site  
Do you remember you still mine 2 x

It's stormy outside  
I wonder are you still mine?  
I'm waiting so long  
I miss you  
Do you remember you still mine
