Screaming at the window

Watch me die another day

Hopeless situation

Endless price I'll have to pay

Diarrhea of a madman

Walk the line again today

Entries of confusion

Dear diary, I'm here to stay.

Sanity now and beyond me

I will always love you.

However long I stay

I will always love you.

Whatever words I say

I will always love you.

There's no choice.

Whenever I'm alone with you

You make me feel like I'm hopeless

Voices in the darkness

Scream away my mental health

Can I ask a question

To help me save me from myself?

Sanity now and beyond me

I will always love you.

However long I stay

I will always love you.

Whatever words I say

I will always love you.

There's no choice.

(**segues to**)

I will always love you. (repeat 6x)

Whenever I'm alone with you

You make me feel like I'm whole again

Whenever I'm alone with you

You make me feel like I'm whole again

I will always love you

There's no choice
