Screaming at the window
Watch me die another day
Hopeless situation
Endless price I'll have to pay

Diarrhea of a madman
Walk the line again today
Entries of confusion
Dear diary, I'm here to stay.

Sanity now and beyond me
I will always love you.
However long I stay
I will always love you.
Whatever words I say
I will always love you.
There's no choice.

Whenever I'm alone with you
You make me feel like I'm hopeless

Voices in the darkness
Scream away my mental health
Can I ask a question
To help me save me from myself?

Sanity now and beyond me
I will always love you.
However long I stay
I will always love you.
Whatever words I say
I will always love you.
There's no choice.

[segues to]

I will always love you. *[repeat 6x]*

Whenever I'm alone with you
You make me feel like I'm whole again
Whenever I'm alone with you
You make me feel like I'm whole again

I will always love you
There's no choice
