Learning to pray
Praying for visions
to Show me the way
Show me the way to forgive you
Allow me to let it go
Allow me to be forgiven
Show me the way to let go
Show me the way to forgive you
Allow me to let it go
Allow me to be forgiven
Show me the way to let go
Illuminate me,
Illuminate me,
Illuminate me,
I'm just praying for you to show me
Where I'm to begin
Hoping to
Hoping to reconnect to you..
