"A Zillion Years"

It'll take a zillion years
That's a long time
We'll all be dead, past our prime
It'll cost a zillion dollars to pay the debt
And a zillion other details
That haven't been thought of yet.
A zillion years. I won't be waiting
A zillion years, that's a long long time
A zillion years. What are you waiting for?
A zillion years, that's a lot of lies.
It'll take a zillion years
That's over-kill
Nothing ever changes, nothing ever will
A zillion cups of coffee in a zillion shaking hands
A zillion alcoholics, a zillion hardcore bands
You can take your quaaludes
You can drink your beers
You won't feel better in a zillion years
A zillion cups of coffee
A zillion bags of drugs
A zillion tubes of toothpaste still won't be enough
