Control your temper
'cause we got something that you wanted to be
control your temper
but then you realize nothing is free
control your temper
'cause we got everything you wanted to be
control your temper
but then you realize

We got so much can't get enough
'cause we're so free
we got something
we got everything
'cause we're so free

Control your temper
'cause we got something that you wanted to be
control your temper
but then you realize nothing is free
control your temper
'cause we got everything you wanted to be
control your temper
but then you realize

We got so much can't get enough
'cause we're so free
we're so fucked up
we can't get it up
'cause we're so free
we got something
we got everything
'cause we're so free
