I got no ambition
I got no position
I got nothing but a
Father and a mother
They keep telling me
That I must earn my keep
And I know they are right
So I can't sleep at night
I got education
Finest in the nation
Mr Know-it-all
But all I do is stall
I took lots of classes
I kissed lots of asses
I made a lot of friends
But I don't really know them
1-2-3-4-5
Years of school went by
And I'm still alive
But I don't know what for
My girlfriend said she
Would not put up with me
If I can't get a job
And don't know what I want
Over 21
Not getting any younger
Now we'll see if I'll
Lose at rock and roll
