Whatever you may be like
whoever came here first
was it you or was it us
you can't get enough

'cous you control the money
and the soldiers too
what if I show you something new
its more than "point of view"

There's a battle ragging on the highstreet
don't you read the reading on the concrete

Get pissed have some fun
get laid by everyone
you gonna break some bones
you gonna feel alone
C'mon boy c'mon girl
everything is in this world
some feels bad some feels good
it's your time and you gotta go your own way

TV-entertainment
your brain is unemployed
you can never judge what is right
and there will be no fight

'Cous you control the money...
