Once I was pathetic look at me now wanted success
didn't know how I'm here to share my secret cause
you're my friend so listen very closely save your
questions 'till the end by the time I'm done this song I
hope you understand by the time I'm done this song
and I reveal my plan of how I made a million in a punk
rock band but it's not for the money that I give what I
give I'm just trying to make the world a better place to
live writing songs and practicing that's not for me I just
want to meet some girls and get in shows for free drink
a lot of beer and sleep late every day give the people
what they want that's what I always say now that I am
done my song I hope you understand now that I am
done this song and I've revealed my plan for how I
made a million in a punk rock band.
