Karl Marx Friedrich Engels one manifesto oh so simple
Joe Hill Angela Davis they worked so hard just to save
us
And all our history this is our history
Hey man you think is funny the boss is wasting all your
Money
Truth is you can't deny we're struggling hard with so
Much pride
And all our dignity will change our history
Right here right now in this very moment
We're around and we're alive
Can't you see what is going on here
Rebellion is the way of life
Karl Marx Friedrich Engels one manifesto oh so simple

Truth is you can't deny we're struggling hard with so
Much pride
And all our dignity will change our history
Right here right now in this very moment
We're around and we're alive
Can't you see what is going on here
Rebellion is the way of life
There's something going on
The rich protect the things they got
And things they sure begin to rot
And all our history this is your history
Right here right now in this very moment
We're around and we're alive
Can't you see what is going on here
Rebellion is the way of life
