"Play It Safe"

Visit "[Play It Safe](#)" on MotoLyrics.com

You don't know my world
You don't know my kind
I never share my feelings
And I got no time

Do you want this boy?
Do you want this girl?
Do you take all your chances
No!

Cause you play it safe
In all the little things you do
If you want your life
Then put yourself at stake

You don't know my thoughts
You don't see my heart
I never seek reaction
So it's not my fault

Is your life in vain?
Do you want to change
So you can make difference
Yeah!

Cause you play it safe
In all the little things you do
If you want your life
Then put yourself at stake
