SANTA VERONA, just hold on i'll be waiting here for you  
SANTA VERONA, you've got what it takes to see me  
through  
SANTA VERONA, standing on a beach awaiting your call  
SANTA VERONA, hold me tight before I take the fall

Your eyes light up.  
Your eyes light up.  
Your eyes light up when i, when i move to you.  
Your eyes light up.  
Your eyes light up.  
Your eyes light up when i, when i move to, when i move  
to you.

You were my only lover.  
I didn't want another.  
You make me feel alive.  
That's something i cant hide.

SANTA VERONA, take me in i wanna feel it in my heart  
SANTA VERONA, you've been my baby from the very  
start  
SANTA VERONA, dancing on the sand you make me  
feel right  
SANTA VERONA, hold me tight before i die tonight

Your eyes light up.  
Your eyes light up.  
Your eyes light up when i, when i move to you.  
Your eyes light up.  
Your eyes light up.  
Your eyes light up when i, when i move to, when i move  
to you.

You were my only lover.  
I didn't want another.  
You make me feel alive.  
That's something i cant hide. (x2)
