You know you had my heart
I thought i had yours too
I thought you wanted love
Love i could give to you
Told me i was the one
Gave me that easy fix
But i was too blind to see
That baby you had me, you the tricks

Baby had me with her tricks

Take a look at me now
Im not in love with you

Well take a look at me now

Im not in love with you

Take a LOOK at me now
Im not in love with you

Well take a look at me now
Im not in love with you

Maybe i was wrong
Maybe i dropped my guard
But when you ran to him
You left me in the dark
I wasnt on your mind
I wasnt your easy fix
And girl thats when i knew
That baby you had me, you had me with your trick
