Something's in the wind
Something I can touch
Just a feeling that I've got, oh, no

Am I losing you? Am I losing you?
Is there something that I can do?
Am I losing you?

Keep on telling me
No, please not tonight
Something just ain't right, oh, no

Am I losing you? Am I losing you?
Is there something that I can do?
Am I losing you?

Those happy days we've spent together
Can you forget them overnight
This was supposed to last forever
But forever's slipping out of sight

I used to get to you
Till you'd shake inside
But you ain't satisfied, oh no

Am I losing you? Am I losing you?
Is there something that I can do?
Am I losing you?

Am I losing you? Am I losing you?
Is there something that I can do?
Am I losing you?
