hello world heres a song that were singing  
come on get happy  
a whole lot of loving is what we'll be bringing  
we'll make you happy

we have a dream we'll go traveling together  
we'll spread a little loving and we'll keep moving on  
something always happens whenever were together  
we get a happy feeling when were singing a song

traveling along theres a song that were singing  
come on get happy  
a whole lot of loving is what we'll be bringing  
we'll make you happy  
we'll make you happy  
we'll make you happppppyyyyyy
