I'm here, you're here, I don't care where you been
before
You're the sweetest thing I ever saw
What could you do, what could you say to make me
wanna go away
I know, I know I never wanted anyone more

Baby, you know if I go it's gonna be a long walk home
And a pretty thing like you shouldn't spend her time
alone
No, shouldn't spend her time alone
And I know that you'll be sorry if I'm gone

Hearts beat, we know what we're sayin' - don't run away
Eyes meet, why are we playin' all those games that
children play?

I'm here, you're here, I don't care where you been
before
You're the sweetest thing I ever saw
What could you do, what could you say to make me
wanna go away
I know, I know I never wanted anyone more

Baby, you know if I go it's gonna be a long walk home
And a pretty thing like you shouldn't spend her time
alone
No, shouldn't spend her time alone
And I know that you'll be sorry if I'm gone

Hearts beat, we know what we're sayin' - don't run away
Eyes meet, why are we playin' all those games that
children play?

I'm here, you're here, I don't care where you been
before
You're the sweetest thing I ever saw
What could you do, what could you say to make me
wanna go away
I know, I know I never wanted anyone more
