Do do do do do do do do do do do do
Do do do do do do do do do do do do

Now that I've seen you
I know that I love you
But I don't want to move too fast
Your love is the love that I want to last

So if I seem to hesitate
It's not because I've changed my mind, no
It's only because
I don't want to lose what it's taken me so long to find

It's gonna be
One day at a time
Ooh, I'm gonna take you, yeah I'm gonna take you
One day at a time
Ooh I'm gonna make you, yeah I'm gonna make you
mine
Gonna make you mine

First I'm gonna tell you
How much I want you
Then I'll show you that I need you more
Give you time to think it over so you know for sure

And when you say you love me
I'm never going to let you go, no
Just sit right back, enjoy yourself
And watch our new love grow

I'll take you
One day at a time
Ooh I'm gonna take you, yeah I'm gonna take you
One day at a time
Ooh I'm gonna make you, yeah I'm gonna make you
mine
Gonna make you mine

So don't you worry
If I don't come on too strong

I'm gonna take it nice and slow
Make sure that nothing goes wrong

It's gonna be
One day at a time
Ooh I'm gonna take you, yeah I'm gonna take you
One day at a time
Ooh I'm gonna make you, yeah I'm gonna make you
mine
Gonna make you mine

One day at a time
Ooh I'm gonna take you, yeah I'm gonna make you
One day at a time
Ooh I'm gonna make you, yeah I'm gonna make you
mine
