### "Rainmaker"

She came with the rain,  
Scarlet ribbon in her hair  
I never even knew her name,  
She just slipped away from me to who knows where  
And if it weren't for the rain,  
She might still be there

CHORUS:

Rainmaker, does she have to be free?  
I guess you know she took the best part of me  
Rainmaker, I'll wait endlessly  
If there's a way to make her come back to me  
Doo, doo....

Love was only yesterday and now tomorrow waits in  
vain  
She never promised me she'd stay,  
So a stranger to my love she will remain  
And I know more than me she loved the rain

CHORUS

Yes, I know now more than me she loved the rain, she  
loved the rain

CHORUS

REPEAT AND FADE
