Singin' it out to the people, singin' it out to them all
Singin' my song and they're singin' along
All of my problems are oh so small
All of my problems are so small

I sing it um ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de dada
Ba de dum ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de da

Singin' it out in the mornin'; singin' it out in the night
Makin' it clear 'cause I want them to hear
We can make everything quite alright
We can make everything alright

Ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de dada
Ba de dum ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de da

Let's sing it
Let's sing it

Yes I know, I know when a heart sinks low
So low, so low
We can talk to one another for the love is strong
And it can't go wrong

Ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de dada
Ba de dum ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de da

Ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de dada
Ba de dum ba de dum ba de da dee dee
Dum ba de dum ba de dum ba de da
