Now that the party's over  
Got to get another drink  
Silence is turning my mind away

Now I'm left cold sober  
And my mind is on the blink  
Got to wipe so many tears away

I went on my knees for you  
You didn't care that much did you  
Alone in the dark I'm not ok

How how I wanted you  
But you didn't need somebody new  
My fake walrus face faded away

Fragile  
My heart breaks  
(fake) Blood on my smile  
Fragile  
(true) Tears in my eyes  
It ain't no surprise

But you know in hope I breathe  
Keep your picture in my heart  
Got to get glued stuck in my dreams

If you only knew my dear  
How wild I wanna be  
And how sweet I wanna be 'bout you

Flying in your liquid skies  
Tasting your sweetie clouds  
Kissing your lips out of control

I would bring back the Moon to you  
If you'd say you love me too  
But I know that it's just a fantasy

Fragile  
My heart breaks  
(fake) Blood on my smile

Fragile  
(true) Tears in my eyes  
It ain't no surprise
