Couldn't find the words to tell you  
And I'm standing in Beaubourg stairs alone  
Watching Paris from this bird view  
A little bit cold this spring's sun  
There's a funny noisy music in my heart  
That strange feeling this vacuum in my chest  
Wish you were here to save my thoughts from the  
clouds

I wish I was the best  
But I am the worst  
Do do do do do do do I'm in Love

Staring at the paintings in a daydream  
I feel so sticky in my hands  
Would like to talk about art with you  
Would love to kiss you  
There's a fucking noisy guitar in my head  
Happy painter's colours collapse in a breathe  
And they become black & white through my tears

I wish I was the best  
But I am the worst  
Do do do do do do do I'm in Love
